*"Nearly every moment of every day we have the opportunity to give something to someone else—our time, our love, or our resources. I have always found more joy in giving when I did not expect anything in return." Truett Cathy, Eat Mo Chikin: Inspire More People, 2002*

*Join us to hear this Christian businessman who has proven business success and godly integrity go hand in hand.*

**TRI-LAKES CENTER  
HWY 248 -- BRANSON**

Reserve your tickets now to hear this inspiring man of God who has built his life on hard work, humanity and biblical principles. An example of these is his famous "Closed-on-Sunday" policy. Last year, Chick-fil-A posted more than 2.9 billion in annual sales. With approximately 1,400 restaurants, Cathy has led his company on an unparalleled record of 40 consecutive years of annual sales increases. When not managing his company, Cathy donates his time to community efforts and teaches a Sunday school class to 13-year-old boys, as he has done for more than 50 years.

Join us for a hot breakfast, music, prayer and a message from a man who knows how to succeed in this life and in the life to come.
